*It is indeed a great pride for all of us, the graduation of batch 2021-2022 that finally we overcame the challenges and incessant struggles of four years in college. This yearbook is the silent witness which chronicled all that we've been through.*

## BATCH 2021 - 2022

### "Going Beyond: Thriving to Success and Excellence in the Face of Challenge"

It's harvest season because today you will be reaping the rewards of those four long years of hardwork and diligence. We rejoice with you Mabalacat City College's Batch 2020-2021!

The theme goes "Going Beyond: Thriving to Success and Excellence in the Face of Challenge". Last November 17 to 19, 2021, the College has undergone accreditation. I am very elated to share to you that the accreditation body has elevated us to level 2. What does that mean?

That the institution that is about to grant you your ticket to the world has provided you the best education amidst the challenges of this global pandemic. Is that bad or good? I think it has its positive side. Two years of this so-called new normal has taught us to go beyond our comfort zones, challenge the old system and venture on new ones, of course with a great risk and perhaps, fear. But we need to hold on to something, that is courage and hope. The fact that we are here today, then this is the batch that showed great courage and remained hopeful all this time.

Bring that with you, along the skills and competence that your professors had meticulously ingrained in you. We believe that with the top notch education this institution had given you combined with greatest lesson about courage and hope, you go beyond in the next chapter of your life and in every chapter that will follow successfully.

We just hope that in all those chapters, you will not forget your almamater. Yes, we will be beaming with pride as you climb the rope of your careers and profession. Crimson Tribe, go forth and show the world what you are made of. Let our red color of fire bring out the passion in you and that strong steel of gray be your symbol of determination. Just keep going.

To the parents and other significant people in their lives, congratulations as well. I am sure you've provided the best support system to them. They won't be here without you.

Crimson Tribe congratulations and reminding you again to just keep going. Without further ado, I welcome you all to Batch 2020-2021 virtual graduation rites!

# Graduation Song

## What a Wonderful World

By: Louis Armstrong

I see trees of green, red roses too  
I see them bloom for me and you  
And I think to myself what a wonderful world

I see skies of blue and clouds of white  
The bright blessed day, the dark sacred night  
And I think to myself what a wonderful world

The colors of the rainbow so pretty in the sky  
Are also on the faces of people going by  
I see friends shaking hands saying how do you do  
But they're really saying I love you

I hear baby's cry, and I watched them grow  
They'll learn much more than I'll ever know  
And I think to myself what a wonderful world  
Yes, I think to myself what a wonderful world

# The Time of My Life

By: David Cook

I've been waiting for my dreams  
To turn into something I could believe in  
And looking for that magic rainbow  
On the horizon, I couldn't see it until I let go  
Gave into love and watched all the bitterness  
burn  
Now I'm coming alive, body and soul  
And feelin' my world start to turn

And I'll taste every moment and live it out loud  
I know this is the time, this is the time  
To be more than a name or a face in the crowd  
I know this is the time  
This is the time of my life, time of my life

Holding onto things that vanished  
Into the air, left me in pieces  
But now I'm rising from the ashes  
Finding my wings and all that I needed  
Was there all along within my reach  
As close as the beat of my heart

And I'll taste every moment and live it out loud  
I know this is the time, this is the time to be  
More than a name or a face in the crowd  
I know this is the time  
This is the time of my life, the time of my life

And I'm out on the edge of forever, ready to run  
Keeping my feet on the ground, arms open, wide  
face to the sun

And I'll taste every moment and live it out loud  
I know this is the time, this is the time to be  
More than a name or a face in the crowd  
I know this is the time  
This is the time of my life, my life

More than a name or a face in the crowd  
I know this is the time  
This is the time of my life  
This is the time of my life  
The time of my life, time of my life
